Selichot: The prologue to Rosh Hashanah. Let the first tefillot (prayers) of the season and rich choral music surround you with a sound bath for the soul. The Selichot experience allows us to approach God and do the work of forgiveness, providing a renewal of community and self to begin the High Holy Days.

The Sanctuary: Tefillah in the Sanctuary is led by Cantor Aranoff or Stuart Zimring. The Adat Ari El choir is accompanied by the organ. The role of the choir is not only for the recitation of prayers but also to encourage congregational singing.

The Auditorium: This is a participatory Tefillah experience, led by Cantor Aranoff or Ruth Steinberg. The inclusive spirit is set by the Cantor and the congregation.

Second Day Rosh Hashanah Community Tefillah in the Sanctuary: This will take place on the second day of Rosh Hashanah and will be led by all of our clergy, with some accompaniment by our sextet and piano.

Children's Programming: Offered for grades K-6 with advance registration. Programs feature games, stories, art, and activities along the themes of the holidays. Snacks provided. All participants must have an adult on site during programming.*

Teen Programming: Offered for grades 7-12. Pre-registered teens who attend training may volunteer in the ECC or with Children's Programming. A teen program will be held on Kol Nidre for grades 7-12.*

Childcare: Offered for preschool children ages 2-5 throughout the High Holy Days. Advance registration is required.*

We offer a wide variety of classes; from chess to soccer, cooking to robotics, and homework help to acting, there will be something for everyone's interests.

Early Childhood Center

Tot Shabbat

Tot Shabbat at Adat Ari Ari is a child-centered Shabbat Service geared toward children who are 1 to 5 years of age. Tot Shabbat takes place on the first Shabbat of the month. Immediately after the service there will be an opportunity to socialize and play on the preschool yard. Bagels and other goodies are also provided. No need to RSVP.

Parent & Me

Come meet other parents and be a part of our warm and friendly community. Each class is uniquely designed to encourage multisensory experiences that stimulate emerging language skills, motor development, socialization, and bonding between adult and child. Share experiences and get practical, helpful information from a qualified professional. Parent & Me enrollment is ongoing. Please contact the ECC office for more information: mpankowski@adatariel.org, 818.766.6379

Parent Education

On alternating last Wednesdays of each month, the Early Childhood Center offers parents the opportunity to connect socially and to support each other as parents of young children. Parent education topics are led by experts in their fields and include but are not limited to: sibling rivalries, emotional intelligence, healthy eating, mindfulness, discipline, kindergarten readiness, and developmental stages.

Parent Socials

Every other month the parents of the ECC get together for a night out to socialize, connect, and relax at a restaurant, a pub, or a welcoming home. These are great opportunities to get to know the members of the community outside of the everyday pick up and drop off routine.

Jewish Learning Community

The Marilyn & Kenneth Friedman Family Jewish Learning Community

The JLC of Adat Ari El provides a Jewish education to students in grades K-6 in a part-time setting. With an emphasis on Jewish values, identity, tradition, and wisdom, we give students a foundation on which to build. Our program meets on Tuesday afternoons, with a Hebrew extension program meeting on Tuesdays after JLC.

Trana & Ronald Labowe Confirmation/Seminar Institute

We continue the Jewish educational experience for middle and high school students through Pre-Confirmation and CSI:Adat. Our values-driven curriculum emphasizes Judaism in the real world and what it means to be a part of a community. Both Rabbis meet with the students, renewing their connections and extending their dialogues beyond B'nai Mitzvah. Pre-Confirmation (grades 7-10) meets on Tuesday nights and CSI:Adat (grades 11-12) meets two Monday nights a month.

Kadima and USY

The Masor Youth Department offers programming for Jewish youth & teens in grades 4-12 through Kadima (grades 4-6) and USY (grades 7-12). AAE USY and Kadima are connected to the Far West Region, which gives our youth opportunities to program both with our own community and with chapters from Southern California, Las Vegas, and Arizona. Much of our programming is teen driven and led, which helps members gain leadership skills and actively create experiences and opportunities for their peers. USY and Kadima are open to any Jewish youth or teen.

Rene's Girls and The Davids

Under the umbrella of Moving Traditions, and generously sponsored by the Simmons Family Foundation, these groups foster self-discovery and a commitment to Jewish Life learning through small groups of same gender, same grade peers. These groups meet monthly with trained facilitators with the goal of the group continuing together through graduation.

College Outreach

We want to help our college-aged students remain connected to Adat Ari El when they are away from their home and their home community. We send college students care packages twice a year and sponsor a winter break social with the Rabbis. Parents can sign up their college students at tinyurl.com/aaecollege1920.

Hebrew Extension

The JLC Hebrew Extension program provides students in grades 4-6 with additional focused Hebrew lessons in small ability-based groups.

Summer Programs

Camp Sababa

CAMP SABABA at Adat Ari El Early Childhood Center! This eight-week camp will inspire the imagination, stimulate the senses, encourage the inner artist, and challenge the explorer within all of our children. There will be many opportunities for our campers to participate in water play as well as weekly "special events" we hope will enhance the campers' summertime experience. Camp schedules are extremely flexible. Please contact the ECC office for more information. Mpankowski@adatariel.org, **818.766.6379**
